

Pizzeria

Luigi's pizza. How can I help you?

Hello, I'd like to order two pizzas, please.

Yes, of course, what would you like?

Can I have one Pepperoni pizza and one Tuna pizza?

Small, medium or big size?

Medium, please.

Would you like some extra ingredients on your pizzas?

Yes, on the second one, can you add olives?

Anything else?

Yes, I'd like a portion of chips and two cokes, please.

So to sum up, two medium size pizzas, Pepperoni and Tuna with olives, a portion of chips and two cokes?

Yes, that's right.

That'll be \$30.25(thirty twenty five). How will you pay for that?

Can I pay cash?

Yes, of course, is this for takeout or home delivery?

Home delivery.

Can you tell me your address and phone number?

Sure, the address is 345 South Street, Apartment A, and the phone number is 503-850-6755.

The driver will be there in about 40 minutes.

Great. Thank you.

Thank you for your order. Have a nice day.

Cafe

I've been dying to try this place.

Me, too. It smells so good. I've heard their food is fresh, healthy and tasty.

I love the decor. It's elegant and traditional.

Hello. I'm Anna. And I'll be taking care of you both today. Can I start you off with some drinks? We have herbal tea, coffee and a variety of soft drinks.

I'll have a peppermint tea, please.

And I'll have a coffee with cream and sugar.

I'll go grab your drinks and give you a chance to look over the menu.

Everything on the menu looks delicious.

I know I'm not sure what to order. I can't make up my mind.

Here are your drinks, are you ready to order?

This is our first time here. Do you have any favorite dishes you would recommend?

I love the Cobb salad and the grilled chicken sandwich. They are two of our most popular items.

What exactly is Cobb salad?

Romaine lettuce topped with fresh avocado, bacon, egg, tomato, blue cheese and ranch dressing.

Sounds interesting.

Do you want to get the Cobb salad and I'll get the sandwich? Then we can share both.

Great idea. One Cobb salad and one grilled chicken sandwich, please.

Perfect. Your order will be served in a few minutes.

Hair Salon

Hello. Stephanie.

Hi. Tara. It's so good to see you.

Good to see you, too. How have you been?

Busy as usual. And you?

Same here. I'm way overdue for a haircut.

What are we going to do today? Just a trim? Or something more dramatic?

Actually, I think I want a change. I want to have a trendy look. I'm considering a short bob style. I don't want long wavy hair anymore. I want short straight hair.

That would look great on you. We would need to cut off about 6 inches. Are you okay with that?

You bet. I'm so ready for something different.

And what about color? Are we keeping with your usual blond highlights?

I'm not sure. I was thinking of going with something a little darker.

How about we dye it completely brunette? What do you think?

Not quite. I'd prefer a brown color.

Okay, let's do it. Let's start with the shampoo. Is the water too hot?

Nope, it feels good.

And now let's put in some conditioner. We're ready for the cut.

I'm so excited for this new style.

Me too. I think it will fit you perfectly.

It's so stylish. I love it.

I'm glad you like it. You look fantastic.

Thank you.

You're very welcome.

Barbershop

Hello there. What can I do for you today?

I'd like a cut and a shave, please.

Not a problem. Let's start with a quick shampoo.

Okay, sounds good.

And now on to the cut. What is your usual style?

I usually wear it a little longer on the top, but pretty short everywhere else.

Okay and which way do you normally part it?

To the right.

Let's get started. What do you think?

Looks good.

And now for the shave, any special requests? Would you like me to leave a goatee for you?

Or a mustache?

No, thanks. I'm ready for my face to be smooth again. That looks great. I look like a whole new man. Thanks. What do I owe you?

That'll be \$15.

Here's 20, keep the change.

Thanks.

Gym One

Hello.

Hello, how can I help you?

Can you please tell me how much the membership fee at this gym is?

It's \$35 per month. If you choose to pay annually, you'll only need to pay \$350.

That sounds good. What are your opening hours?

We open at 5 am and close at midnight.

Do you have personal trainers?

Sure we do. We can show you what to do, how to do it and why you're doing it. Have you worked with a personal trainer before?

No, I haven't.

For your first classes we'll assign you one of our expert personal trainers. Nutrition advice is included in the plan.

That's a very good deal.

Yes, it is. If you want to continue with your trainer after the first few classes, it costs extra though.

I see, okay, I'd like to apply for a gym membership. I'll sign up for a month.

Great. Please fill out this application form.

Gym Two

I'm so pumped for this workout today.

I'm still sore from our last workout. What are we doing today?

You're going to love it. First we will lift weights. Then we will take an aerobics class. And we will end with some yoga stretches.

That sounds like a lot. I thought we were going to run outside today.

We're gonna run outside later today.

Are you serious? I don't think I'll have any energy left for that.

Of course you will. Don't worry. So let's start with the weights.

I think 3 days a week at the gym is too much for me.

If you want to build muscles, resistance and strength, you need to stick to the gym. We're building up good habits at the same time, I need to lose some weight too.

Nutrition is also important, if you want to lose weight. If you start eating healthy food, you'll be surprised how easy it is to lose weight.

I agree, we need to make some changes in our diet, too. We can fuel up with some healthy fruits and veggies after we finish our workout. It's time for our aerobics class. Let's go.

Flower Shop

Hello.

Hello, sir. Are you looking for anything special today?

Yes, I'd like to get my wife some flowers. It's our anniversary today.

Well, happy anniversary. How many years have you been married?

5 years.

That's great. Well, I have several options for you. Does your wife have a favorite type of flower?

She loves roses and daisies. But she really likes any type of flower.

You could go the traditional romantic route and get her a dozen red roses.

I thought about that, but I think I'd like something a little more creative and unique.

I do have some bouquets that combine a few roses with some other seasonal choices.

That sounds like something she might like.

This one here has pink roses, but also spring tulips and calla lilies. And it comes with this beautiful vase.

That looks great. How much is it?

\$100.

That one is a little out of my budget. Do you have anything in the fifty-dollar range?

Of course. We have this vase full of pink and yellow roses for \$49. Or this vase for \$40. It doesn't include any roses. But it has other gorgeous flowers. It really brightens up the room, don't you think?

That bouquet looks indeed unique. I think my wife would really enjoy it. I'll take it.

Perfect. I'll put the vase in a sturdy box for you so you can get them home safely.

Thank you.

Library

Hello.

Hello. What can I help you with today?

I'd like to apply for a library card.

Yes, sure. Do you have proof of residence? A driver's license or something showing that you live in this city.

Yes, here you go.

Thank you, now please fill out this application.

Okay, all done.

All right, now please sign the back of the card. Okay, you're all set. Here is your card.

Thank you.

Now you can go and look for the books you want to read. Then you must come here to sign them out. You can only checkout three books at a time, and you can also use a computer to look up for any book. There is also a reading area where you can sit and read a book.

I see, can you please tell me where the Fiction section is?

Yes, it's in the rear left corner of the library.

Thank you very much for your help.
